The Eve Factor: Strengthening The Male-Female Relationship

Since the beginning of time men and women have struggled to understand one another. "The Eve Factor" presents a breakthrough in developing harmonious relationships with the opposite sex. Whether husband-wife, boyfriend-girlfriend, mother-son, father-daughter or brother-sister; you will go from saying "I can't live with them and I can't live without them" to "there's nothing more rewarding than my relationship." In making any relationship successful there are many factors to consider. Did you know the female tends to give so much in a relationship to the point where there is nothing left? Are you aware that every female is born with qualities that are essential to every male? To create/ maintain harmonious relationships consider "The Eve Factor."
